**DETAILED ACTION**

***Claim Objections***

Claim 12 is objected to because of the following informalities: the claim should be single sentence only. Appropriate correction is required.

***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 12-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 12 recites "at least one baffle" at lines 6 and 17. It is unclear if these are the same baffle or different baffles.

***Allowable Subject Matter***

Claims 20-24, 27-30, 32-35, 37 and 39-41 are allowed.

Claim 12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
